

NOTES:

All measures in this drawing are informative and for basic design idea only. This design considers the measures of motorboat Volga 70 to determine the basic required dimensions of the trailer. No calculations has been made to determine static and dynamic loads in relation to construction design, strength and material. The decision of materials used for the build is manufacturer responsibility.

DRAWING NOTES:

Coupling device not shown.

Trailer chassis cross-beams not shown.

ALL DIMENSIONS IN MILLIMETERS EXCEPT IF SHOWN OTHERWISE: SURFACE FINISH: DIMENSION TOLERANCES: LINEAR: NIL ANGULAR: NIL				AFTER-TREATMENT:				SHARP EDGES AND CORNERS SHALL BE ROUNDED
